“IT DOESN’T MATTER WHAT THEY SAID — WHAT DID HE SAY?”

READ

Lamentations 3:22-26, John 13:7

Whatever your concerns — it may be your physical health, it may be a job situation, marriage, or it may be your children or grandchildren — there is no limitation with God. It doesn’t matter what it looks like. It doesn’t matter what “they” said. What does God say about your life? This situation is in the hands of the Almighty God. It’s not your business to understand what God’s doing. It’s your business to trust what God is doing. When life stinks, you trust what God is doing. When everybody else walks away and says it’s over, you trust what God is doing. He will never leave you. You say, “I don’t understand this, but God has promised me that, somewhere down the line, I will.” God is doing something. God’s not just sitting, watching. He’s with you. He’s busy arranging things. He understands your agony and frustration. He’s doing something you can’t understand right now. Keep trusting God. He will not fail you. God knows what He’s doing, even now. God has a plan, even now. God is faithful, even now.

PRAY

Lord, I don’t understand, but I stand on Your Word. Your Word is right and true. You are faithful in all You do.
