

JUNE 8

“THERE IS A PLACE INTO WHICH HIS CHILDREN CAN GO THAT PEOPLE DON’T UNDERSTAND.”

READ

Psalm 91:1-2, 1 Timothy 6:11-16

The Bible says that God dwells in a secret place. What is a secret? A secret is that which has not been revealed. God is in a place that nobody can understand or comprehend. Psalm 91 says that, “He who dwells in the secret place of the Most High shall abide under the shadow of the Almighty.” There is a place into which His children can go that people don’t understand. In Psalm 18 it says that God has made darkness His secret place. In Timothy, we read that God is in a light that no man can approach. How can God make darkness His secret place and dwell in the light also? How is that possible? It’s not a contradiction, because there are no contradictions in Scripture. It means that God abides in a place that no human being can comprehend. You can’t find God by searching. He can only be known through revelation. Everywhere you look, the heavens declare the glory of God. The firmament shows His handiwork. God’s fingerprints are everywhere for those who understand where to look.

PRAY

Lord, I want to come away with You into the secret place. Help me to steal away to be with You and hear a gentle word from You every day. In this sacred place, reveal hidden things from Your heart to mine.
