

SEPTEMBER 14

“GOD IS USING THE BAD AND THE UGLY, THE GOOD AND THE GOLDEN TO SHAPE YOU.”

READ

2 Corinthians 4:16

All that Jesus has done for you will never pass away; it is eternal. There is no reason for any of us to lose heart. Don't let finances, people, or any situation in this world cause you to lose heart! If there's anything that should strengthen your heart, it's the fact that the cross has imparted God's life into you, and you will never perish. Don't lose heart! There is a God in heaven! He's not separated from us, He's here among us. This God abides in us. He's present right now. God is here to help you. There's no reason to lose heart, no reason to fear, no reason to be upset because God is on the throne. God is using the bad and the ugly, the good and the golden to shape you. Your physical body is dying, but God inside of you is getting stronger and stronger. Your body will pass away, but what God has done inside of you will never pass away. We're all being fashioned after the image of the Lord Jesus Christ. God is a good God!

PRAY

God, my flesh and my heart may fail, but You are the strength of my heart and my portion forever.
