

JANUARY 4

“WHAT ARE YOU EXPECTING FROM GOD?”

READ

Hebrews 10:12-13, Psalm 62:5-7

Jesus, the Son of God, expected something from Father God because He placed faith in Him and was obedient. What are you expecting from God? Nothing? Has your Christianity just become a bicycle ride every day? You get on and pedal and pedal and do the same thing, but don't really expect a divine intervention. You don't see God moving mightily. You don't even really ask greatly anymore because you don't expect anything to happen. We are supposed to be an expectant people. Surely if Jesus is sitting in heaven right now expecting the day when He will be crowned King of Kings and Lord of Lords, we as His body on this earth, filled with the Holy Spirit, afraid of nothing, should be expecting the supernatural move of the Holy Spirit every day that we live. We should come to God expecting a miracle, expecting a word, expecting God to heal our heart, expecting Him to edify, expecting Him to lift us up, and expecting everything from heaven that God has designed for us.

PRAY

Jesus, help me to realize that You did not save me just to go to church. You did not save me just to walk through life with my fingers crossed. My expectation is from You.
